

Tom King

Phone: (502) 889-6280 • E-Mail: caenicus@gmail.com • Website: <http://www.tomking.net>

Objective

My ultimate goal is to obtain a position in an energetic environment that will foster my artistic and interpersonal skills, and allow me to develop a professional career.

Experience

iContact — *Senior Visual Designer* **2010 — 2011**

- Worked with a team of 12 visual designers, usability testers, user interface designers, and technical writers in the strategic, visual, and interactive redesign of iContact.com, including the core product application and marketing sites

Texas A&M University (TAMU) — *Artist/Programmer, Project Assistant Manager* **2008 — 2010**

- Assisted in the development and re-design of the College of Architecture (CARC) websites
- Acted as a lead designer and art director for the CARC Global Research Symposium style and layout redesign

Education

Ashford University **2009**

Clinton, Iowa — Bachelor of Science in Organizational Management

Owensboro Community College **2006**

Owensboro, KY — Associates in Communications

Career Skills

- Entrepreneurial drive. Project management, negotiation, and execution.
- Excellent communicator. Ability to establish rapport quickly and develop understanding.
- Experience planning and supervising work efforts designed for producing highly favorable results as efficiently as possible
